Multiple Sclerosis is clearly a devastating disease. Over 1 million people in America alone suffer from MS. Chance are you know someone with this awful disease. Here's your opportunity to make an impact. There will be a 4<sup>th</sup> annual auction in an effort to create a world free of MS. Please help by sponsoring the event and/or donating a good or service for the auction. It would be greatly appreciated. Please complete this form. The deadline for donation is Friday, April 24<sup>th</sup>, 2020. Please contact me, so that we may pick up sponsorship checks and/or item(s) in person or so that we may give you mailing instructions and thanks. Thank you for your time and consideration.
